The IKM-Manning Community School does not assume responsibility for lost articles.
Please respect property of the school or other individuals and make sure your equipment is labeled.

BILL PAYMENT

In an effort to keep track of money owed to the district by students, a cumulative record will be kept listing any unpaid amounts for lost sports equipment, lab expenses, fines, textbook/software fees, lunches, etc.
Before a student can graduate and receive transcripts and other documents, all bills must be paid in full
Bills are mailed to parents periodically throughout the school year and payment is expected at that time.
